Motivated and passionate professional seeking a software development position utilizing knowledge in HTML, CSS, JavaScript, and React.

Professional Skills

- HTML, CSS, JavaScript, React, Github, Git, OS, Windows, Microsoft Office, Google Suite
- Verbal and Written Communication, Organization, Customer Service, People Management, Time Management, Relationship Building, Conflict Resolution

Relevant Experience

Front End Engineering Student 07.2018 - Present

Momentum Learning - Durham, NC

- Dedicated 12-weeks specializing in highly focused, immersive training centered on language fluency, object-oriented programming, and project based learning.
- **Traction:** Used React in Ruby on Rails to create an application that tracks the distribution of Naloxone Kits and the use of kits in overdose reversals. Traction allows volunteers to use a QR code scanner to track distribution, vastly improving efficiency and security in the data collection process.

Work Experience

Employee Assistance Program (EAP) Counselor 12.2017 - 07.2018

Workplace Options - Durham, NC

- Provided telephonic emotional support and resources, including treatment options, to global employees at a variety of companies
- Effectively managed and de-escalated crises utilizing crisis intervention techniques and provided appropriate interventions as needed

Team Lead - Community Support Team 05.2013 -12.2017

Carolina Outreach - Durham, NC

- Provided individual psychotherapy to clients using a variety of evidenced based practices, including Cognitive Behavioral Therapy, Dialectical Behavioral Therapy, and Motivational Interviewing using a person-centered approach
- Oversaw two team members and trained new hires
- Advocated for client needs and facilitated clients accessing community resources to improve independent living skills, and provided interpersonal skills training to improve social skills
- Conducted biopsychosocial assessments to understand diagnosis and used information to create treatment plans and document goals for clients over a 6 month period
- Submitted treatment plans and eligibility reports to the State, continued to modify with updates, and maintain documentation for clients to obtain services including food, clothing, housing, and medical needs.

Direct Support Professional 08.2009 - 05.2013

Residential Services, Inc. - Chapel Hill, NC

- Enhanced the ability of residents with an Intellectual and/or Developmental Disability diagnosis to lead a self-determining life by providing the support and information necessary to build self-esteem and assertiveness to make decisions, in addition to facilitating daily living routines to maximize skills, abilities and independence
- Supported residents in the development of friendships and social skills
